By: Sumayyah Sadreddin

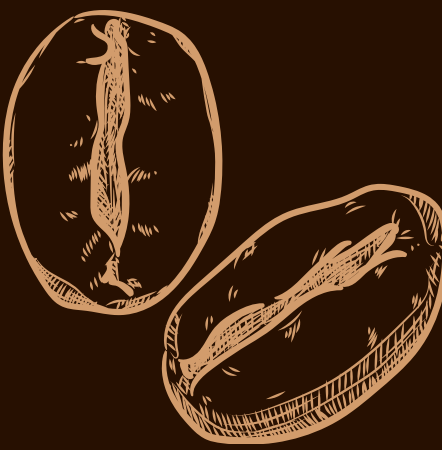

SALAM!

AND WELCOME!

My name is Sumayyah. I am the owner of a bookshop cafe, where my love for books and coffee combined to make something truly magical. Here is a small introduction about me!

I am a Muslim entrepreneur with a passion for business. I live with my parents and am single with no kids.

I have made a little presentation about my business and have included lots of fun info about how much I make annually and monthly as well as the amount of Zakat I pay a year. I hope you enjoy it!

HOW MUCH DO I MAKE A MONTH?

Alhamdulillah I make -

\$96,000 yearly divided by 12 = \$8000 monthly

Here is a table to give
you a better look

**WHAT ARE
SOME
BASIC
EXPENSES
I HAVE?**

<u>Expense</u>	<u>Money Spent</u>
Hygiene Utilities	\$110 a month
Clothing	\$150 a month
Gas	\$300 a month
Medical Insurance	\$230 a month
Other	\$120 a month
<u>Total:</u>	<u>\$910 monthly</u>

HOW MUCH MONEY DO I HAVE LEFT AT THE END OF THE MONTH?

$\$8000 - \$910 = \$7090$ *monthly income*

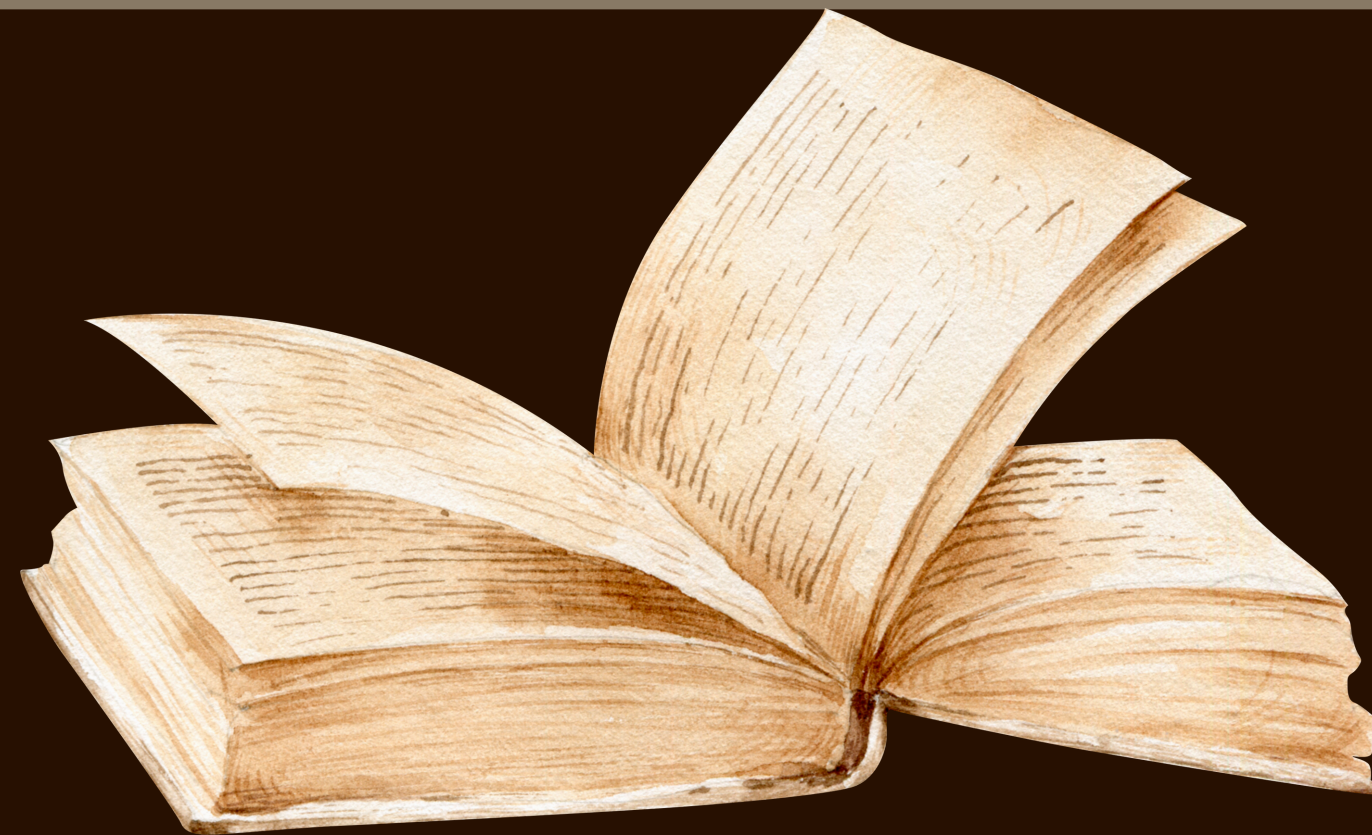

HOW MUCH MONEY DO I HAVE LEFTOVER THE ENTIRE YEAR?

$\$7090 \times 12 = \$85,080$ annually

Since Zakat is 2.5% or 1/40 of yearly savings...

HOW MUCH ZAKAT DO I HAVE TO GIVE AWAY A YEAR?

$$\$85,080 \times 1/40 = \$2127$$

In total, I pay \$2127 of Zakat a year.

Thank You For Listening!
